

THE VIRGIN MARY IN THE KINGDOM

Day 18 (*P244*)

The Virgin Mary in the House of Nazareth:

**Heaven and earth are about exchange the kiss of peace;
the divine hour draws near**

"My mother, I love you; love me too. Increase in my soul the Will of God, and grant me your blessing also, so that I may do all my actions under your maternal gaze."

The soul to its Holy Queen Mother:

My Sovereign mother, here I am again to follow in your footsteps.

Your love binds me and, like a powerful magnet, keeps me fixed and completely attentive to your beautiful motherly lessons.

But this is not enough; if you love me as your child, you must enclose me in the Kingdom of the Divine Will in which you lived and do live, and shut the doors in such a way that, even if I wanted to, I would not be able to leave.

In this way, just like a child with its mother, we will live a life in common and will both be happy.

Lesson of the Queen of Heaven:

My dearest child, if you knew how I long to keep you enclosed within the Kingdom of the Divine Will!

Each one of my lessons acts as a wall that I erect to impede your footsteps from exiting this Kingdom – it is a fortress that encloses your will so that you may love and understand how to submit yourself to the sweet reign of the Supreme Fiat.

Therefore, listen attentively to what I say, as these lessons are the fruit of your loving mother who seeks to attract and captivate your will, so that you may allow the Divine Will to conquer you.

Now, my dear child, listen closely to what your tender mother wishes to tell you.

I left the Temple with the same courage with which I entered it and only to do the Divine Will.

I went to Nazareth and no longer found my dear and holy parents.

I went alone, accompanied by Saint Joseph, and I saw in him my good angel whom God had given me for my custody.

I had cohorts of angels that accompanied me on the journey, and all created things bowed to me in my honour, and I thanked them by giving each created thing my kiss and my greeting as Queen.

And we arrived at Nazareth.

Saint Joseph and I looked at each other with modesty, and we felt our hearts filled with the loving desire to tell each other that we were both bound to God with a vow of perpetual virginity.

Finally, the silence was broken and we revealed our vows to each other.

Oh, how elated we were.

We thanked the Lord and promised to live together as brother and sister.

I was most attentive in serving him, and we looked at each other with veneration.

The dawn of peace reigned on our midst.

Oh, how happy all souls would be if they reflected their lives in me by patterning themselves after me!

In many ways I adapted myself to the common lifestyle; I did not reveal to others the great seas of grace I possessed interiorly.

Now, listen closely to what your tender mother wishes to tell you, my child.

In the house of Nazareth I was enflamed with love more than ever, and prayed for the Divine Word to come to earth.

The Divine Will that reigned in me, invested all my acts with light, beauty, sanctity and power; I felt it forming the reign of light within me, but a light that constantly arises and forms the ever-expanding kingdom of beauty, sanctity and power.

Therefore, all the divine qualities the Divine Fiat infused in me by virtue of its reign in my soul engendered within me the divine fruition.

The divine light of the sun of the Divine Will that enveloped me was so great that, embellishing and investing my humanity, it continuously produced heavenly flowers in my soul.

I felt the heavens lower themselves to me as the earth of my humanity arose within them. So in me heaven and earth embraced, were reconciled and exchanged the kiss of peace and love.

By this means, the earth disposed itself to produce the seed of the Just One, the Holy One, and the heavens prepared to open up to let the Divine Word descend into its chosen seed.

I continually ascended to my heavenly homeland and descended to earth, casting myself into the paternal arms of my Heavenly Father, and saying to him from my heart: "Holy Father, I cannot wait any longer!

My heart is enflamed and, set ablaze with love, I feel a powerful force in me, wanting to win You over, whence I cry out: 'Father, with my chains of love I wish to bind and compel You to no longer delay.

On the wings of love I entreat You to send the Divine Word from heaven to earth'."

And I cried and implored him to heed my prayer.

And the divinity, conquered by my tears and prayers, reassured me by saying,

"Daughter, who can resist you?

You have won!

The divine hour is near.

Return to earth and continue your acts in the power of my Will, for through them all creation to its depths will be moved, and heaven and earth will exchange the kiss of peace."

But despite this, I did not yet know that I was to be the mother of the Eternal Word.

Now, my child, listen closely to what your tender mother wishes to tell you, and understand well what it means to live in the Divine Will.

By living in the Divine Will, I formed the heavens and its Divine Kingdom within my soul. Had I not formed this Kingdom within me, the Word would never have descended from heaven to earth.

The only reason He descended was because He was able to descend into his own kingdom, which the Divine Will had established within me.

He found in me his heaven and his divine joys.

Indeed, the Word would never have descended into a foreign kingdom - not at all.

For this reason he first wanted to form his kingdom within me, and then descend into it as a conqueror.

What is more, by living always in the Divine Will, I acquired by grace what God is by nature.

Without any human intervention, God's divine fruition formed within me the seed that would enable the human nature of the Eternal Word to germinate in me.

What can the Divine Will, operating in a creature, not do?

It can do everything - it can achieve all possible and imaginable goods.

May you take this teaching to heart, and may you accomplish everything in the Divine Will.

By imitating me, your mother, you will make my happiness and joy complete.

The soul:

Holy Mother, you can obtain from God anything you ask.

Just as you had the power to win God over, to the point of making him descend from heaven to earth, so you have the power to win over my will so that it may no longer have a life of its own.

I trust in you and am confident that I will obtain everything from you.

Aspiration:

Today, to honour me, come and visit me for a little while in the house of Nazareth; offer me all your acts in homage so that I may unite them to mine and convert them into the Divine Will.

Exclamation:

Heavenly Empress, impress the kiss of the Will of God upon my soul.
